

INVESTIGATING INTEGRITY THROUGH...

NOVA MUTUAL

The greatness of a man is not in how much wealth he acquires, but in his integrity and his ability to affect those around him positively.

BRIGHT FUTURES. SHARED VALUES.

The inspiration for the EmpowerYOUTH scholarship was born of an opportunity from our partners at Farm Mutual Re. As part of their Covid-19 response, they gave each of their member companies funds to use in a way that would best serve their community. At Nova Mutual, we viewed this as an opportunity to make an impact on budding scholars.

The parameters are simple - students must be Ontario residents and enrolled in post-secondary education - college, University or trade school. With \$40,000 up for grabs, we're asking applicants to submit short video essays explaining how they exemplify one (or more) of the 6 core values of Nova Mutual - community, empowerment, integrity, courage, respect or service. Submissions will be accepted up until Monday, August 31st and we will announce the recipients on Tuesday, September 8th - just in time for back to school!

BUILDING TRUST THROUGH TRANSPARENCY

At Nova, integrity and transparency go hand in hand. Our dedication to these principles is exemplified by our Broker Experience Director, Paulo. Having open and honest communication with our partners is so important, Paulo will often pick up the phone or pop into a Broker office to have a frank discussion about how their portfolios are performing. These check-ins are integral to enhancing the relationship with our Broker partners as well as maximizing their success and ours.
