

CELEBRATING COMMUNITY THROUGH...

#WorkingTogetherMatters

Community might be our most cherished core value at Nova Mutual. We actively support the communities where we live, work, and play and are dedicated to making meaningful contributions, often reaching out to organizations directly to ask 'How are U doing? What do U need?'. We believe this personal touch, inspired by the approach we take when working with our Members, results in lasting, mutually beneficial relationships and deep trust.

Throughout 2020 Nova Mutual has had the honour and pleasure of working with incredible organizations and community partners. Support has been provided in the form of sponsorships, meals, brand guidance and the purchase of much needed equipment.

Our friends at 519 Films have done a wonderful job of telling the stories of many of these partnerships, including the Twisted Lemon & Anson Place collaboration, our support of Help NorFarms and, most recently, our work with the Simcoe Farmers' Market.

GIVING THE GIFT OF TIME

Nova Mutual also actively encourages their Team Members to give back to the community. Team Members are given 21 paid hours each year to volunteer with organizations which hold a special place in their heart. If a Team Member goes above and beyond, contributing 40+ hours to a not-for-profit organization, Nova Mutual will make a donation to a not-for-profit organization of the Team Members choosing.
